

With six branded lounges – as well as more than 750 member and affiliated lounges worldwide – SkyTeam Branded Lounges provide visitors with a welcome opportunity to relax and recharge before or between flights.

Each SkyTeam lounge offers Elite Plus, First and Business Class customers an oasis of calm amid the bustle of an airport. With locally-sourced food and drink, complimentary Wi-Fi, fully equipped workspaces, shower facilities and other amenities, they are the perfect place to catch up on work, call home or simply do nothing at all.

OPENED JUN 2009

LONDON HEATHROW

| United Kingdom

x13

Operating members: T3: Delta Air Lines, MEA. T4: Aeroflot, Aeromexico, Air France, Alitalia, China Eastern, Kenya Airways, KLM, Korean Air, Saudia, TAROM, Vietnam Airlines.

SkyTeam's first lounge – celebrating its 10th anniversary this year – provides a haven amongst the bustle of Heathrow. With two floors, guests can relax at the wine bar or revitalize with a spa treatment before their flight.

ISTANBUL

| Turkey

Operating members: Aeroflot, Air France, KLM, Korean Air, MEA, TAROM, Saudia

Comfort and wellbeing are at the heart of SkyTeam's newest lounge – with custom-made furniture, LED lighting, a statement reception area, moss walls and locally-crafted tiles when it opens its doors at Istanbul New Airport.

Guests will be able to choose from a mouth-watering array of authentic bites, including freshly cooked pide (Turkish pizza), mezze, traditional tea and coffee

and wine from Turkish vineyards. European dishes, snacks, spirits and soft drinks will also be on the menu.

With complimentary Wi-Fi, shower facilities and outlets beside each seat, this statement facility provides the perfect opportunity for visitors to relax and recharge while enjoying some of Istanbul's unique charms, without stepping foot outside of the airport.

582 sq m **147** seats **x7**

OPENED APR 2016
